Members are expected to contribute at least \$100 per year to the Foundation. Members who contribute (and/or have contributed in their name) \$1,000 are recognized as *Paul Harris Fellows*. Members contributing at least \$100 per year to the Foundation are referred to as Paul Harris Sustaining Members. Paul Harris founded Rotary in 1905.

Attendance Requirements

Regular attendance is essential to a strong and active Rotary Club. We stress regular attendance because the absence of any member deprives the club of the values of its diversified membership and the personal fellowship of each member. Many of our members strive for Perfect Attendance (100%). Club members are expected to attend at least 60% of the club regular meetings in each half of the year. At least half of these must be at *this* club's regular meetings. Attendance at meetings only counts if you are present for 60% of any given meeting.
